# Europe 2020

The EU's growth strategy for a changing world to become a smart, sustainable and inclusive economy. Three priorities to deliver high levels of employment, productivity and social cohesion.

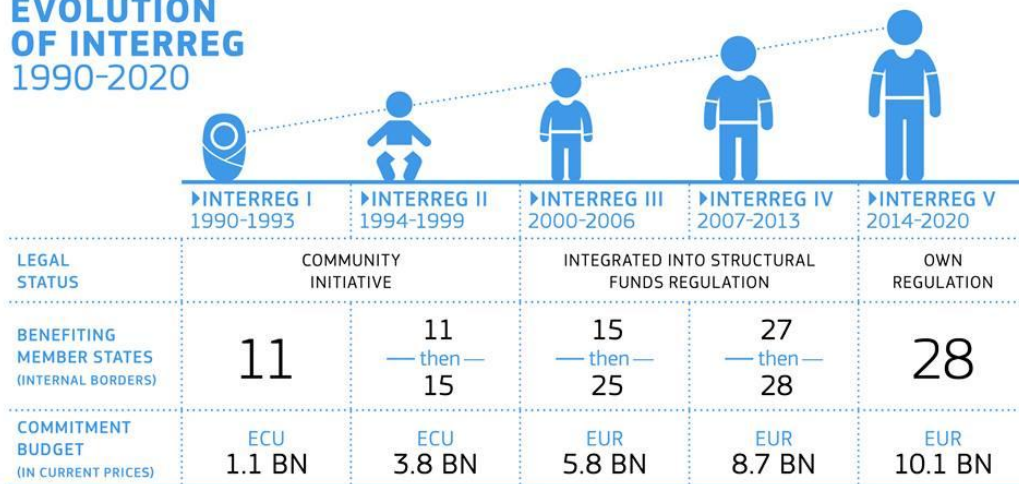

Five Objectives in five main areas:

- ✓ Employment
- ✓ Innovation
- ✓ Climate change
- ✓ Education
- ✓ Poverty

# Evolution of Interreg

## EVOLUTION OF INTERREG 1990-2020

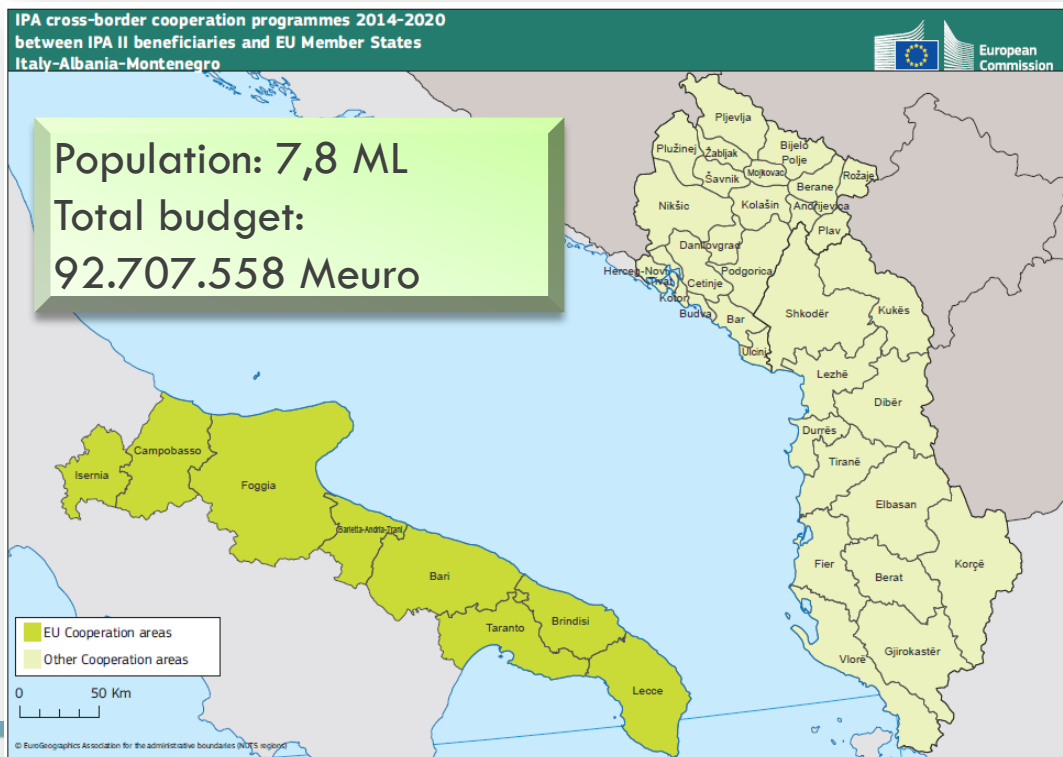

- ✓ Interreg was developed in 1990 as a Community Initiative with a budget of just 1 billion EUR covering exclusively Cross-border Cooperation.
- ✓ Later, it was extended to transnational and inter regional cooperation.

# EUSAIR Strategy

The Programme is aligned with the macro-regional EU Strategy for the Adriatic and Ionian Region EUSAIR, and helps Adriatic-Ionian regions of Italy, Albania and Montenegro to achieve growth by building on the 4 EUSAIR thematic pillars:

- Blue Growth
- Connecting the Region
- Environmental Quality
- Sustainable Tourism

# Programme Priorities

## Priority Axis 1

Strengthening the cross border cooperation and competitiveness of SMEs

## Priority Axis 2

Smart Management of natural and cultural heritage for the exploitation of cross border sustainable tourism and territorial attractiveness

## Priority Axis 3

Environment protection, risk management and low carbon strategy

## Priority Axis 4

Increasing cross border accessibility, promoting sustainable transport service and facilities and improving public infrastructures

# Cross Cutting Themes

Promoting local and regional governance and enhancing the planning and administrative capacity of local and regional authorities

Strengthening research, technological development, innovation and information and communication technologies through, inter alia, promoting the sharing of human resources and facilities for research and technology development
